

CERTIFICATE OF VERIFICATION

This is to verify:

AKAMATSU KASEIKOUGYOU CO., LTD.

Main Site: 119-1 Mitsuho-Kaitaku, Mitsuho, Matsushige-cho, Itano-gun,
Tokushima, 771-0298, Japan

has been independently assessed and verified by Intertek under the:
Intertek Recycled Content Verification Program
In accordance with **ISO 14021: 2016**

The following product manufactured at the above site has been assessed and
verified as containing 100% post-consumer recycled PET material:

- 10 oz Strawless Lid
- 14 oz Strawless Lid
- SPC Cold Lid

The recycled PET materials used for the above products consist of 100% post-
consumer recycled content, as defined by **ISO 14021:2016**.

The verification was conducted using a reasonable assurance sampling
approach, including a review of supplier declarations, raw material purchasing
and receiving records, production records, traceability records, manufacturing
controls, and supporting documentation.

This certificate remains valid subject to the organization maintaining the
verified product scope and recycled content management controls in
accordance with the applicable Intertek program requirements.
